Good morning Robert,

I am writing you to let you know that my hunting rifles are being held by the sheriffs office and that they can't release them because of a class action law suite. Detective Masterpine has informed that I need to wait until the case is over and i don't need an "article 78". My order of protection ran out on February 2012. The Detective also told me that there are a lot of people in my situation.

Can you help me get back my property - its been 4 years!

Regards,
Jonel Alamazon

Thank you for your call. A letter which I can present to the court may help.
